Judaica

Trace the story of Warsaw's Jewish community by visiting the Ghetto Wall, the Nożyk Synagogue, the Jewish Cemetery and **the Museum of the History of Polish Jews POLIN**, located at the heart of what was once the Jewish district, next to the Monument of the Ghetto Heroes. See some of the locations from the movie *The Pianist*, look around **Grzybowski Square** and **Próżna Street**, where there are several buildings that survived the war, and enjoy a traditional Jewish meal in one of the nearby restaurants. The Footbridge of Memory, an illuminated installation over **Chłodna Street**, is also a must-see. Located in the place where a wooden footbridge used to connect the large and small ghettos, this memorial commemorates those tragic events through the use of multimedia and 3D pictures in special viewing windows.
