Activities & Relaxation

If you fancy a break from sightseeing, or you'd simply like to escape from the hustle and bustle of the city, you can always go for a bike ride along **the Vistula boulevards**, enjoy some light exercise in one of the open-air mini-gyms, go for a quick run in one of Warsaw's beautiful parks (try **Pole Mokotowskie** – you won't regret it!) or **get in a kayak** and paddle down the river for a panoramic view of the city from a totally different perspective. You will quickly see that Warsaw is the perfect place for people who love being active.
