KICK – Bollywood production made in Warsaw.

Movie „Kick” made in Warsaw is a major Bollywood production. It was seen by 20 mln viewers already.

Warsaw looked truly great on the screen.

Warsaw Tourism Organization has a special place in realisation of the movie and it was engaged in the project since the information about the movie came out.

We successfully helped in communication with the City Hall underlying that movies are in fact best tools for city promotion and that this development will bring other, not only Indian movies.

Mateusz Czerwiński and Dominika Polus – employees of Warsaw Convention Bureau took the film operator around the city showing him the spectacular places and convincing to shoot in the movie the key, recognizable localizations.

Trivia: we are mentioned in the opening lines of the movie 😊

We will be giving out tickets for the movie premiere soon.
